Patient information

Bring this form and your Medicare card. Allow 45 minutes for an echocardiogram or stress echocardiogram.
For a stress test wear a two-piece outfit and walking shoes; avoid talc or body lotion on the chest; bring your inhaler if you use one.
Reports are sent to the referring doctor within the week. For chest pain or feeling unwell, attend the nearest emergency department or call 000.
Book: (02) 9870 3256 or endocrinewell.com.au
